Harbor Area Mothers Pick Officers for School Year

The Harc-Angels held their second luncheon meeting with Mrs. Buckley Jones, president, presiding.

The membership of this recently organized group is comprised of the mothers of children attending the Harbor Area Retarded Children's School at 2529 Signal, San Pedro. Officers elected for 1962 are Mrs. Buckley Jones, president; Mrs. Robert Halliday, vice president; Mrs. Compton Broadus, secretary; Mrs. Gary Collins, treasurer; Mrs. Anna Terreno, ways and means, with Mrs. Robert Ingdahl and Mrs. Harry Grandados as co-chairmen; Mrs. Pete Lauro, sunshine committee, and Mrs. Frank Kremler, publicity.

Jean Lemkle of San Pedro YWCA spoke on the YWCA swim program in relation to the retarded child.

The Harc-Angels are having a bake sale of holiday goods at the Christmas tree lot, 989 N. Gaffey, San Pedro, which is sponsored by the Harbor Area Retarded Children's Foundation. The bake sale, under the chairmanship of Mrs. Pete Lauro, will be on Saturday, Dec. 9, and Saturday, Dec. 16, from 10 a.m. to 3 p.m.

The regular luncheon meeting of the Harc-Angels will be held on Dec. 14 at noon at the school. Anyone interested in working with this organization is invited, Mrs. Jones said.

Need for Vocational Nurse Trainees Told by College

The need for training more vocational nurses was emphasized today by Roberta Lindberg, director of the vocational nursing program at Harbor College, in announcing openings for next semester's program.

"All graduates of our vocational nursing program are employed and we are still not supplying the need," Miss Lindberg stated. "This is an especially rewarding field for men and women up to the age of 50 who would like to train for an essential job offering many employment opportunities at good starting salaries in the Harbor area."

Those interested in the program should phone Harbor College to make arrangements to take the regular entrance examination scheduled for the following dates: Monday, Dec. 11, at 6 p.m.; Thursday, Jan. 4, at 6 p.m.; Saturday, Jan. 13, at 9 a.m. and Monday, Jan. 22, at 6 p.m.

The vocational nursing training course, which qualifies a graduate to take the state examination to become a licensed vocational nurse, is open to both men and women who have completed a 10th grade education or its equivalent.

Further information on the program is available from Miss Lindberg at FA 8-2380.

New Sweaters Easy to Keep New Looking

A perfect gift suggestion to meet the requirements of even the hard-to-please male on your Christmas list could be a "sporting look" jacket or sweater.

knits. All are equally adaptable—convertible hoods, include hidden-zip cardigans, Scandinavian patterns and sculptured knits in solid colors. You'll find jackets with lightweight Dacron linings or fleeces-like linings and jaunty turtleneck knits. All are equally adaptable to the campus, city, home or the ski slope.

On the best-seller sweater list, along with nature's own fibers, comes a vast array of man-made yarns and fibers—many of them unfamiliar to the average shopper.

It's important to realize that these new synthetics not only provide warmth without weight but are completely washable. Even jackets with fluffy fleeces-like linings will respond beautifully to modern automatic-washer laundering.

CUFF LINKS RATE

An exciting, greater-than-ever collection of cuff links is waiting to bring an extra touch of elegance to the discriminating man's wardrobe.

Then, of course, there are tie clasps to match. A visit to a men's store will show you a never-ending variety of jewelry for the man on your list. Look for matching belt buckles, key chains, too.
